

## APPENDIX F: DIVERSITY & INCLUSION POLICY

### Purpose

EBOS Group Ltd (EBOS) is committed to developing and creating a more inclusive workplace that embraces and celebrates Diversity and Inclusion.

Our vision for Diversity and Inclusion is to create an environment that promotes diversity and an environment that is safe, inclusive and is reflective of the communities in which we operate.

We recognise that a diverse workplace improves our ability to attract, retain, motivate and develop talent, create an engaged workforce, deliver quality services to our customers and to support the growth of EBOS.

This Diversity and Inclusion Policy sets out the guiding principles and areas of focus that underpin our approach to developing a diverse workplace.

The Board of Directors has approved this policy.

### Scope

This Policy applies to:

- a) Employees;
- b) Directors; and
- c) Contractors or those engaged on a labour hire arrangement,

of EBOS and its related entities in Australia and New Zealand, referred to throughout this Policy as **Workplace Participants**.

### Definitions

In this Policy, diversity is referred to broadly and includes, but is not limited to, gender, marital or family status, sexual orientation, race, ethnicity, sexual orientation, gender identity, socio-economic status, age, physical abilities, work and life experience, religious beliefs and political beliefs.

### Principles

In setting diversity initiatives, EBOS will follow the principles set out below:

- a) **Recruitment and Selection** – we will foster a culture where qualified applicants are recruited, developed and promoted while offering equal opportunity for all and considering alignment to our organisational values. We are committed to ensuring that recruitment and selection practices are transparent and equitable. This involves ensuring that qualified applicants from a diverse range of backgrounds have the opportunity to apply and be considered for available roles, and that there is no unlawful discrimination.

- b) **Learning and Development Opportunities** – we encourage and support the growth and development of all our people to help them reach their full potential. We aim to attract and retain an appropriate mix of diversity, skills and experience at all levels including senior management roles and on the Executive Leadership Team, to actively facilitate a more diverse and representative workforce and management team.
- c) **Remuneration** – EBOS determines the remuneration for undertaking similar work of equal value (considering position, performance, qualifications, experience, and market considerations). We will undertake a review of remuneration in respect of gender annually.
- d) **Flexible Working** – we are committed to supporting our people to balance their work and caring responsibilities. We provide a workplace that supports team members to access and utilise paid parental leave, part-time, and other flexible working arrangements. The use of flexible working arrangements, are balanced with the needs of the business and can achieve a “win – win” situation for both Workplace Participants and EBOS.

### **Our Areas of Focus**

The following highlights key areas of focus for EBOS:

- a) **Our Reconciliation Action Plan** – EBOS is committed to working towards creating a society that is fair, equal and just for all Australians, where relationships are strengthened between First Nations and non-Indigenous peoples, for the benefit of all Australians. We have formalised this commitment through our Reconciliation Action Plan.
- b) **Gender** – EBOS is committed to ensuring that gender is not a barrier to career opportunities and empowering our people to access and enjoy the same opportunities to build great careers at EBOS, regardless of gender or gender identity. We ensure representation of gender throughout all recruitment processes. We believe that through diverse leadership and talent pipelines, we can deliver better outcomes.
- c) **Flexible Working** – supporting and empowering our people to balance their work and life commitments through a flexible working culture.
